

ADDENDUM #2

RFA-2021-DEHS-03-DISAB Disability Determination Services

On November 3, 2020, the New Hampshire Department of Health and Human Services published a Request for Application, to solicit applications for the provision Disability Determination Services that include medical, psychological, and psychiatric consultant services in order to evaluate claims of disability and support eligibility determinations.

The Department is publishing this addendum to:

1. Delete and replace Section 2.1, Scope of Services, Subsection 1.2.1., Disability Determination Services, Subparagraph 1.2.1.2. with the following:

1.2.1.2. The selected applicant's MRT must view cases made available to them through the Medicaid Management Information System (MMIS) and New HEIGHTS, the computer system used to determine eligibility, for assistance programs in order to have the MRT complete the New Hampshire Medical Eligibility Review Summary (MERS)/Sequential Evaluation Process, as included as Appendix D, which complies with 20 CFR Part 416.

2. Delete and replace Section 3.2 Application Content, Subsection 3.2.9, with the following:

3.2.9. Financial Information required in Paragraph 2.4.5
